

Dear Parents,

We have booked our annual church youth weekend away for all our young people who attend our two Sunday discipleship groups, JAM and Insight!

We are really excited to be able to go on our own retreat again. What has stood out for us most since last year, is how much our young people have grown together in faith and fellowship and we are looking forward to seeing what this year will bring for the group.

We do hope that you will support us in this, by encouraging your young people to sign up for the weekend and to do so as early as possible. One thing that stands out in church youth work is how much growth happens when we take young people on a trip away! Through spending time together over a weekend, playing games, worshipping and eating, we see a stronger group identity develop, friendships strengthen and young people growing in their walk with God.
