PHOTOGRAPHS

We take the issue of child safety very seriously, and this includes the use of images of children. We occasionally include images of children in publications and on our website, but we have a duty of care which means that children must remain unidentifiable, reducing the risk of inappropriate contact, if images are used in this way.

We ask that parent's consent to the church taking and using photographs and images of their children. Any use of images at the church is underpinned by our Safeguarding policy. We will never include the full name of a child alongside an image.

May we use your child's image projected in PowerPoint presentations for use in worship or Church meetings? YES NO
