

Volunteer Profile: Children's Church

Join our enthusiastic team of Children's Church volunteers who nurture the faith of our children aged 5-11 and work hard to make children's experience of church a positive one.

The sessions are lively and fun, and include story-telling, singing, games, discussion and craft. You will have fun and learn a lot too!

The sessions are prepared and led by the Children's Team and all volunteers receive a session outline and top tips to help you in your small group.

Volunteering times – Sunday 9.15am or 11am on a rota basis – as often as suits you
