

# Volunteer Profile:

## SHARE

Do you have a passion to reach out to local families in need? SHARE needs new volunteers

SHARE is a food collection scheme based at High Street which collects, bags and distributes essential food items for local charities, social workers and health visitors to use in the course of their work. The scheme benefits vulnerable local families.

Additionally, around 40 Christmas boxes are distributed and filled in December and this year we have been involved in offering extra help for families who struggle during the school holidays.

A team of volunteers is required to help with this work. Tasks which particularly need help with are:

- Delivering regular bags to the Harpenden Trust
- Helping collect and sort Harvest donations
- Coordinating the Christmas Box scheme
- Coordinating School Holiday bags
