

Volunteer Profile: Visual Team

We have two roles, and we welcome volunteers for one or both roles

Visual Laptop Operator (Mornings and Evenings)

Arrive at services 30 mins before start. Switch on and test church visual equipment. Set up and test church laptop. Operate preacher / worship leader presentations as required. Attend some band practice evenings midweek to learn and practice worship songs. Pack away laptop and shut down visual equipment.

Visual Camera Operator (Mornings only)

Arrive at services 30 mins before start. Set up and test camera equipment. Liaise with laptop operator on service content. Liaise with preacher / worship leader on sight lines. Operate camera throughout the service. Pack away camera equipment.

We are a fun and lively team committed to aiding communication of the Good News! Full training and support is given. We do ask volunteers to commit to be on duty for at least 1 service every month.

Team led by Lewis Cox
